CUSTOMER & PARTNER QUOTES

*"In order to reach these goals, the contribution of **S2E consultants is proving to be decisive**, not only for the well-known project management skills but also for its enormous flexibility",*

Michele Dotti
Director of Architecture and Technological Innovation in Cedacri.

*It is essential for us to work with the best fintech available on the market and the agreement with **S2E, a leader in this sector**, represents a further step towards consolidating the bank's digital assets.*

Paolo Fiorentino
CEO of Banca Progetto

*"As the **leader in the hybrid integration** market, we are delighted to collaborate with **S2E** in Italy. Our customers **accelerate their time-to-market** by transforming their monolithic core systems into **cloud-native building blocks of innovation***

Romi Stein
CEO OpenLegacy
